To,
Healing Hands Foundation,
Pune

SNEH Foundation would like to express our gratitude to the Healing Hands Foundation for conducting Anorectal health camps in the urban slums of PCMC-Pune where SNEH Foundation is working for various health and education initiatives.

The pro-bono assessments and treatment provided by your experts during the camps are worth appreciating.

We are thankful to the Healing Hands Foundation for immensely important health camps and look forward to more such collaborations even in the future.

Shraddha Deo
CEO- SNEH Foundation
